# United States' Largest Cities 1 Game Suggestions

Number of players: 2 to 5

Equipment needed: one die, one map per player, several dice roll keys, city labels

1. Each player is given a blank United States map with five dots on it and five different city labels.

2. The city labels are placed by each player along the side of his or her map.

3. Each player rolls one die to see who goes first.

4. The first player rolls the die.

5. The first player compares the number rolled with the numbers on the dice roll key.

6. The first player places a city label on the correct city.

7. Play continues to the next person moving in a clock wise manner.

8. That player rolls the die and places a city label on the correct city.

9. Players take turns in this manner until one player has his map of cities all labeled.
