One computer  
was happy.

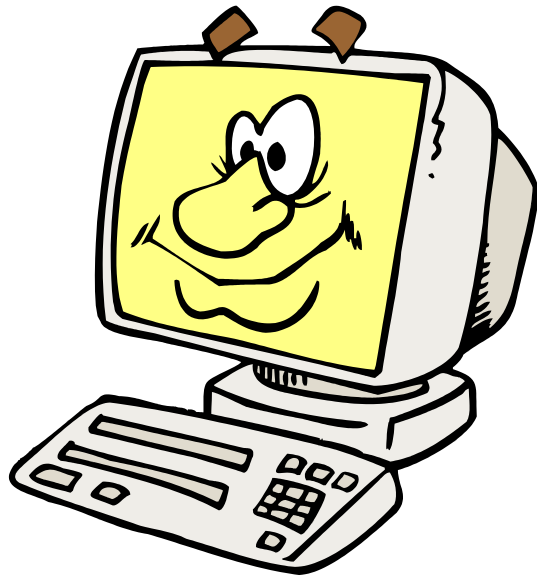

An eraser  
laughed.

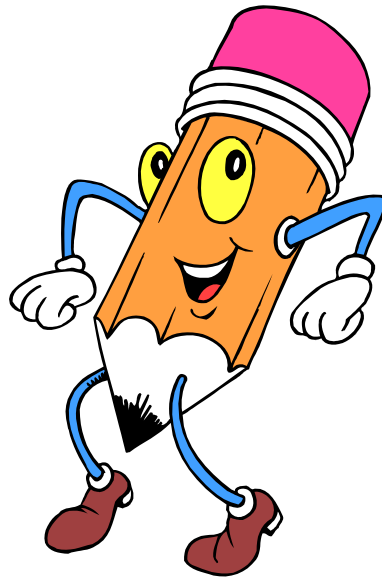

A desk got  
mad.

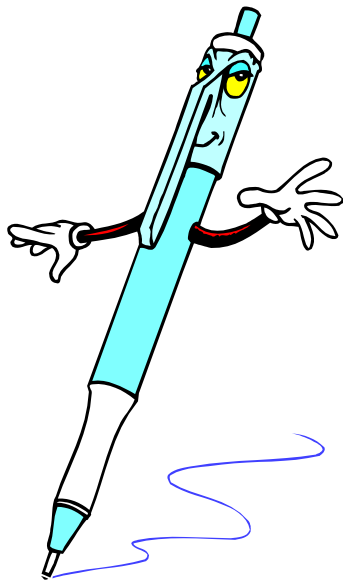

A crocodile  
came to  
school.

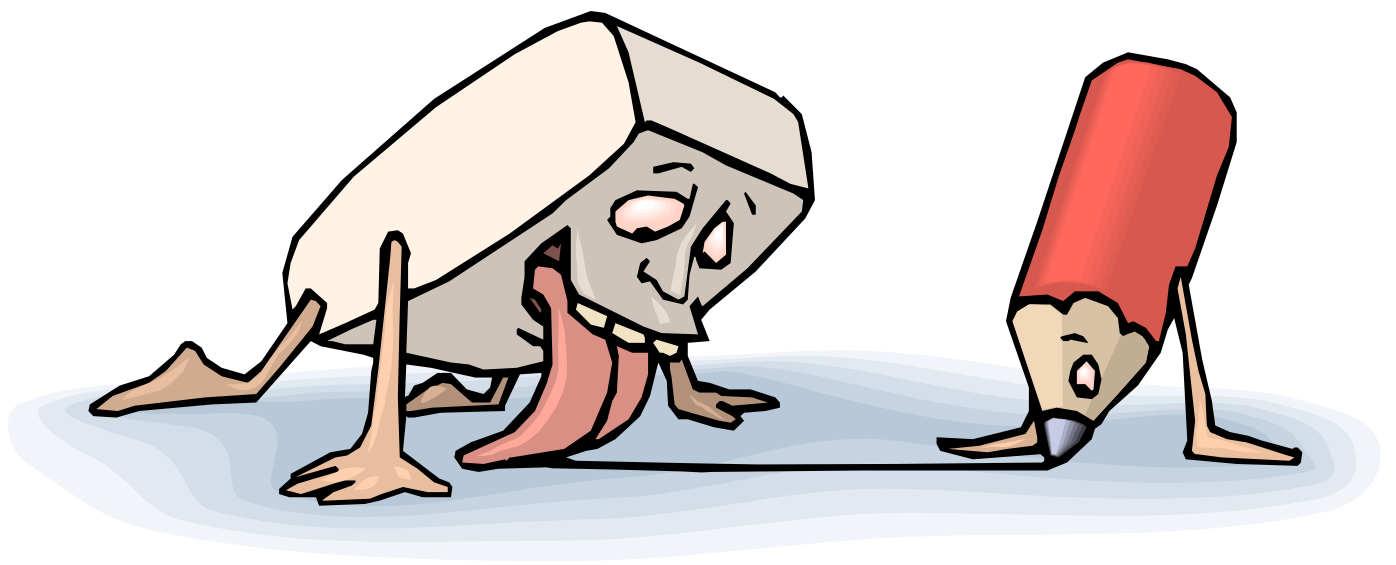

A computer  
smiled.

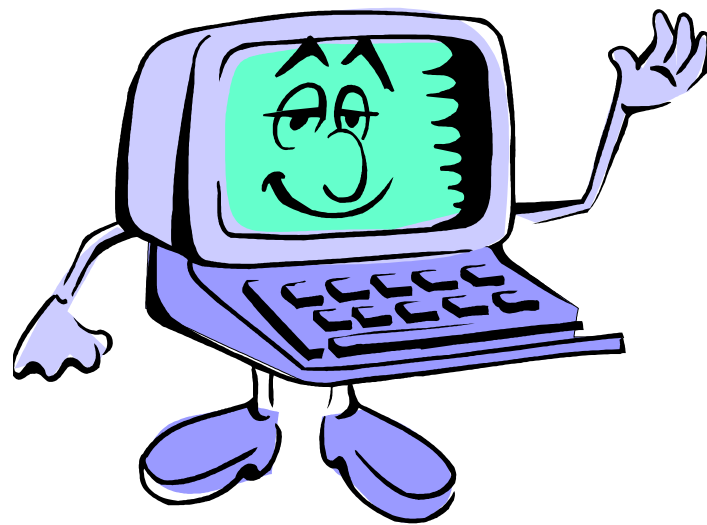

A pencil  
danced.

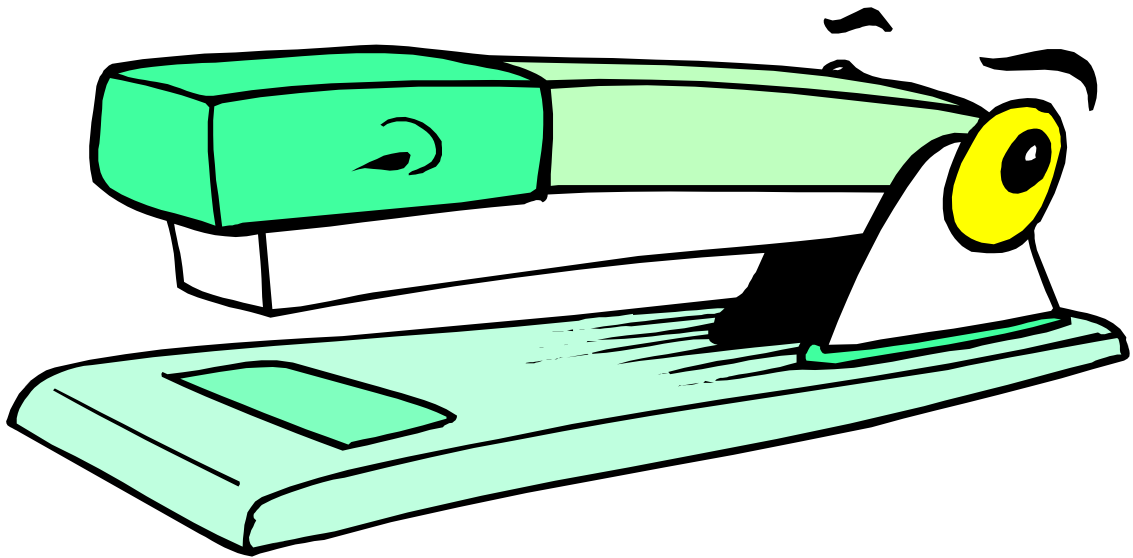

A pen made a  
line.

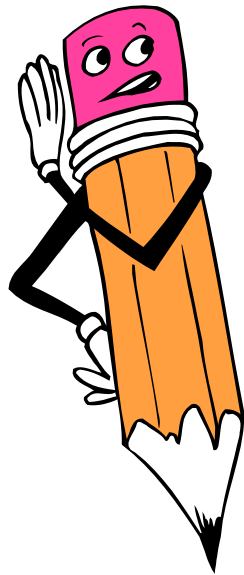

An eraser ate a  
line.

A computer  
waved.

A stapler  
smiled.

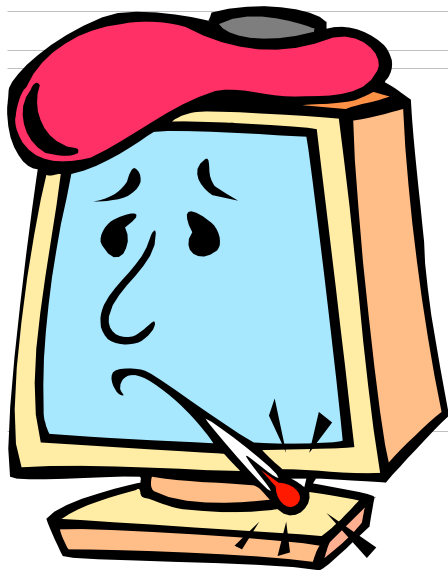

A pencil  
talked.

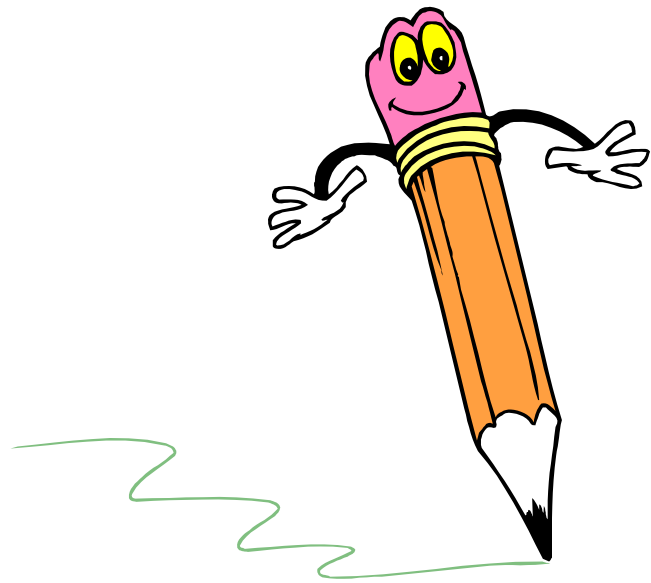

A computer  
laughed.

A sheet of  
paper ran  
away.

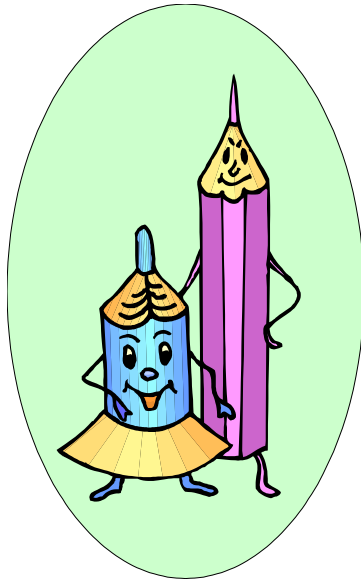

A computer  
got sick.

A pencil made  
a line.

A chicken  
used a  
computer.

Two pencils  
were friends.
