

The Ants and the $\underset{\substack{\text { apple }}}{b}$
The 3 ants see $1 \underset{\text { apple }}{5}$.
The $\underset{\text { opple }}{b}$ seems $\square_{\text {bigger }}^{\square} \square$ than the ants.
The ants seem $\underset{\text { smaler }}{\square}$ than the $\underset{\text { gpple }}{5}$.
"The $\underbrace{\infty}_{\text {qpipe }}$ seems $\square_{\text {bigger }}^{\square}$ a than $I$ am," said 1 ant.
