

What Should I Do Today?

"What should I do today?" said Tucker the fish.

"You could go for a swim," said Peg.

"Peg, we are fish. All we do is swim," said Tucker.

"I think I will fly," said Tucker.

Tucker went and rented a  hang-glider.

He took it to a  waterfall and went off into the sky.

"Look! I can fly," he called to his friend Peg.
