Fiction

One day I  
looked down. A  
toothbrush  
walked by.

I looked again  
and saw a comb  
walk by.

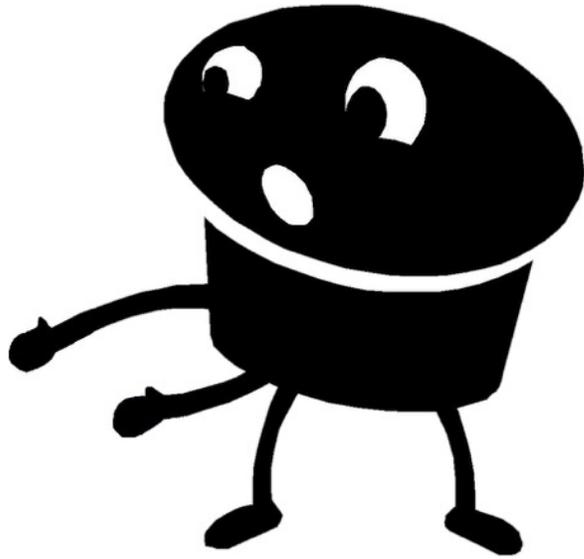

Then a  
flashlight walked  
by. It was hard  
to believe.

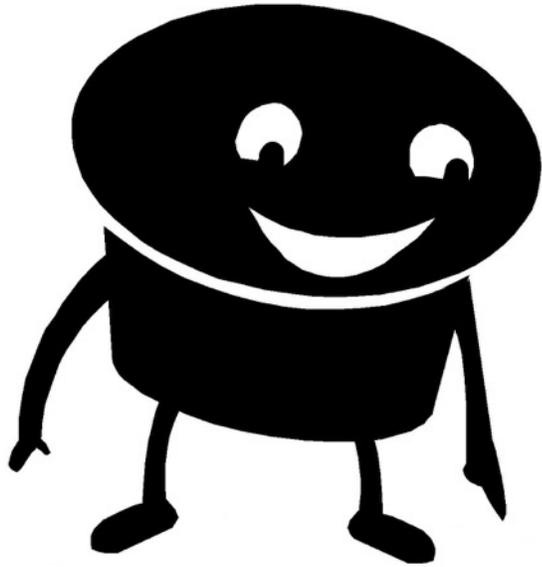

A pencil then  
walked by.

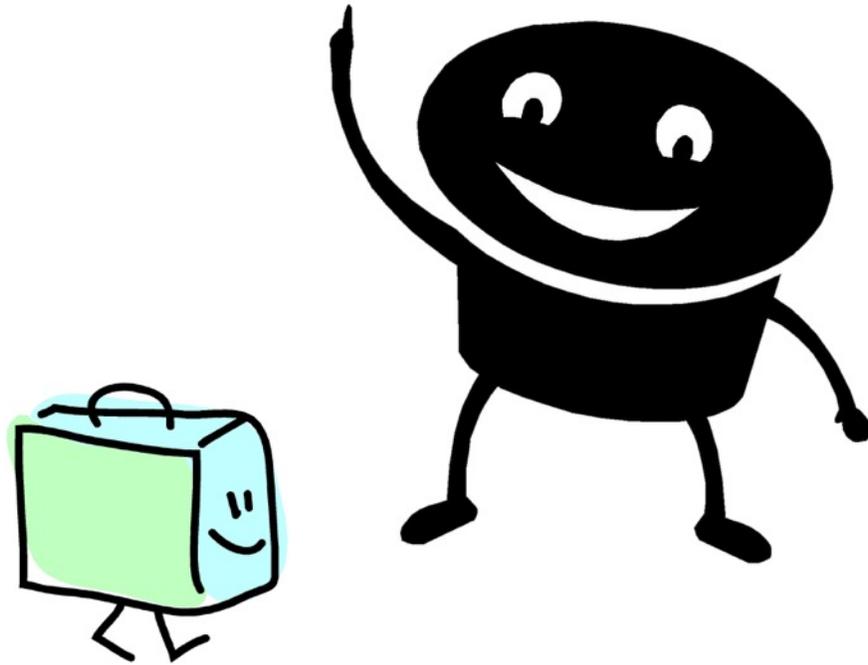

**“Oh, my. Oh,  
my,” I said when  
a hanger walked  
by.**

Soon a ring  
walked by.

In the  
next minute a  
phone walked  
by.

**Finally, a  
suitcase walked  
by. It had been an  
interesting day.**
